Hello Pro Watercross Competitors!

We are pleased to welcome you to Pensacola Beach at the fourth year of the Pro Watercross National Tour! We hope that you enjoy your stay and make many unforgettable memories. To make sure that everybody has a blast, we have some information and rules that we need you to follow:

- **NO ALCOHOL OUTSIDE OF THE SAND AREA!** “The ordinance restricts open containers in public areas of the commercial district of Pensacola Beach. It is illegal to consume or possess any alcoholic beverages in an open container in the public areas within the commercial district like sidewalks, boardwalks, roads and parking lots. It is permissible to have an open container on the sandy portions of the beach, except the “family area” of Casino Beach just west of the Pensacola Beach Fishing Pier”.
- **Camping is not permitted in the rider pit area/parking lot.** Violators will be ticketed. Please contact Pensacola Beach RV Resort for overnight camping at (850) 932-4670 or a local hotel.
- **Unlicensed non-street legal vehicles** (four wheelers, buggies) are not allowed on roads. Traffic violations will be enforced. Contact the Escambia County Sheriff’s Office to escort if you are planning on running your PWC in the Intercostal.
- **Leave No Trace Policy** - tents, all beach items and trash must be removed from the beach each night. This means that tents are NOT PERMITTED to be left on the beach after racing has finished for the day. All abandoned items left behind after racing will be confiscated.
- When entering/exiting the gulf, jet skis must stay **on the east side of the buoys the next to the pier. This is for your and the fisherman’s safety.**
- **Fuel must be stored in the designated storage areas at the beach.**

Good luck and we hope you enjoy your time on Pensacola Beach!
